Breeding Service Fee \$ \_\_\_\_\_ (Payable within 10days of final PTIF test)  
Less Multiple/Special Mare Discounts \$ \_\_\_\_\_ (Deducted on final PTIF test)  
TOTAL BREEDING FEE \$ \_\_\_\_\_ FOR THIS BREEDING CONTRACT

All fees in this contract include GST. All invoices must be paid within 7 days. The Non-Refundable booking fee is payable on signing of this Breeding Contract. For all AI breedings: First 2 Semen Collections, if collected at the Stud, are \$330. All semen collected at a Vet Clinic will be at their rates. All further Semen Collections are \$265 each. All semen collection & semen shipment freight costs are invoiced as created. The Breeding Service Fee is payable on the mare owner's choice of a positive 30 or 42 days PTIF Veterinarian Certificate. For mares bred at the stud: the Breeding Service Fee, along with all other fees due must be paid in full prior to the departure of the mare/s from the stud. Interest will be charged at 14%p.a. accumulated daily on all overdue accounts.

**2. TRANSPORTED SEMEN:** Any shipped semen must only be used for insemination of the mare/s in this contract. Any unused frozen semen must be returned to the Stud at the mare owner's expense. Any unused fresh semen must be discarded by the inseminator, and notified to the Stud. The Stud reserves the right to approve all locations where semen is to be shipped. Semen will not be shipped unless all paperwork and fees are in order first.

**3. EMBRYO TRANSFERS:** If more than one pregnancy results from any one embryo flush, an additional Breeding Service Fee as per the multiple mare discounts below for each additional pregnancy will be due & payable on a PTIF.

**4. MULTIPLE MARE DISCOUNTS:** Discounts are: 10% for the 2<sup>nd</sup> mare, 25% for the 3<sup>rd</sup> - 5<sup>th</sup> mares, and then 40% for the 6<sup>th</sup> mare onward. The discounts are on the Breeding Service Fee only, and for multiple stallion users are calculated using the dearest Breeding Service Fee stallions first. The first mare remains at the original price.

**5. MARES BEING BRED AT THE STUD:** Before delivery to the Stud, all mares must be well handled, in good condition, have had their feet trimmed and have no shoes, had their manes and tails brushed out or pulled, and been wormed within the last 14 days. Foals at foot must be under 6 months of age; unhandled foals may incur a handling fee.

**4. CHOICE OF PREGNANCY STATUS DATES:** All A.I. and E.T's are 45 days and a Veterinary Certificate.

☐ 30 days Final PTIF OR ☐ 45 days Final PTIF ☐ Stud Certificate OR ☐ Veterinarian Certificate

The mare/s final pregnancy status can be performed by the stud, or by a veterinarian. Should a veterinary certificate be required, then it will be at the mare/s owner's expense, including the 160km travel charged by the veterinarian to perform the test. The mare owner will also have to pay agistment until the veterinarian attends.

**5. AGISTMENT:** Agistment will be charged from the date of arrival until the date of departure on final pregnancy test as per the date chosen above. For mares bred at the Stud, they will remain at the Stud until the final PTIF date chosen. Unless otherwise arranged, mare/s will be charged daily, at a day yard rate of \$19.80 for the duration of oestrus for scanning, palpating and serving, or for health reasons. At all most times the mare/s will be charged daily at a supplemented paddock rate of \$6.60. Mares with foals- rates are plus an additional 25-40%.

**6. VETERINARY & HEALTH:** All veterinary & health expenses incurred for the mare/s, including scans, palpation, drugs and pregnancy tests, will be paid for by the mare owner. All mares will be sprayed for fly and ticks, and wormed on arrival at the mare owner's expense, and then at appropriate intervals of the stallion owner's discretion. Foals to be handled if possible before arrival and if unhandled and the foal require any treatments, and then a handling fee of \$110 per foal will be incurred. The mare owner warrants that the mare/s are in good health, and have not been in contact with Contagious Equine Metritis, Equine Viral Rhinopneumonitis, Strangles, or any other infectious disease, and have no genetic hereditary disorders. The Stud may at any time, and at the expense of the mare owner, have the mare/s examined and treated for any such diseases by the Stud's veterinarian, and have the mare/s removed from the Stud immediately, with all fees due to that date payable immediately.

**7. MARE/S TRANSPORT:** All transport arrangements and costs are the responsibility of the mare/s owner. The mare owner must give at least 48 hours notice of intention to deliver or collect mare/s. If the mare owner does not remove mare/s within 14 days of request, the stud will move the mare to a facility of it's choosing, with the mare/s owner liable for all expenses incurred. The charge to travel to/fro Townsville for transports varies \$150-\$330.

**8. LIABILITY:** Whilst the mare/s are in the custody of the Stud, the Stud and the Stud's staff or connections shall not be liable for any sickness, disease, injury or death which may be suffered by the mare/s or their progeny. It is recommended that all mares and their progeny are insured. The Stud warrants all necessary precautions are taken to ensure the well being of the mare/s and their progeny at all times. Should the Stud not be able to fulfill this contract due to the death, injury or sale of the said stallion, the Stud will negotiate the use of another stallion on the Stud, or a full refund the Total Breeding Fee with neither party having any rights against the other.

**9. PREGNANCY:** For mares bred away from the Stud, the mare owner agrees to notify the Stud within 48 hours of the results of any pregnancy tests, whether positive or negative. The mare/s owner hereby gives permission for the Stud to contact the mare owner's Veterinarian, and request results of any pregnancy tests on the mare/s in the contract. For mares bred on the Stud, scans will be performed at regular intervals at the mare owner's expense to ascertain the mare/s pregnancy status, with the departure status being at 30 or 42 days as chosen by the mare/s owner. In all cases, if the mare is unable to leave pregnant, then the Breeding Service Fee will not be payable, but all other relevant fees herein mentioned are due and payable before the mare/s departure.

**10. LIVE FOAL GUARANTEE:** The Stud guarantees a Free Return on the Breeding Service Fee only for the same mare for any foal that does not live to 7 days; however the other fees will still be due and payable as in Fees above. The Stud must be notified of the death of the foal within 7 days, and in receipt of a Veterinary Certificate, with time being of the essence. A substitute mare may be considered, but only with written consent from the stud. A Rebreed Contract must then be completed, and the rebreed used within the next current breeding season only.

**11. ASSIGNMENT:** This contract shall not be assigned or transferred by the mare owner without Stud's consent.

**12. PAYMENT:** All invoices must be paid within 7 days, unless otherwise arranged with the Stud. Payments can be made by the following methods:
